REECAP workshop

Opening statements (Room: GH 01)

Erwin Schmid

(Head of the Department of Economics and Social Sciences, BOKU)

Ulrich Morawetz

(REECAP)

Plenary session morning

(Room GH 01)

Session chair: **Raphaële Preget** (INRA - French National Institute for Agricultural Research, FR)

Keynote 1: **Kent Messer** (CBEAR - Center for Behavioral & Experimental Agri-Environmental Research and University of Dalaware, USA)

"Applying Behavioral and Experimental Economics to U.S. Agri-Environmental Programs: Benefits, Challenges, & Lessons Learned"

Session 1: Spatial effects and nudging in economic experiments

Room: GH 01

15 minutes presentation and 5 minutes discussion each, English

Session chair: Marie Ferré (University of Leeds, UK)

- Nudging Participation and Spatial Agglomeration in Agri-environmental Schemes?
L. Kuhfuss, R. Préget, S. Thoyer, F.P. de Vries, N. Hanley (University of St Andrews (UK), The James Hutton Institute (UK), INRA - French National Institute for Agricultural Research (FR), IRSTEA - French National Research Institute of Science and Technology for Environment and Agriculture (FR), University of Stirling (UK)).
- Application of novel methodology to capture and understand spatial distribution of preferences for changes in high intensity agricultural landscapes in Great Britain.
T. Badura, S. Ferrini, I. Bateman, T. Fonseca (University of East Anglia (UK), University of Siena (IT) University of Exeter Business School (UK) Federal University of ABC - UFABC Alameda da Universidade (BR))
- Spatially explicit framed field experiments on ecosystem services governance
J. Rommel, E. Anggraini (Swedish University of Agricultural Sciences (SE); Bogor Agricultural University (Indonesia))
- Nudging social acceptability of wood-ash re-cycling in forests?
Abildtrup J., B. Ouvrard, **A. Stenger** (Université de Strasbourg (FR), Université de Lorraine (FR), AgroParisTech (FR), CNRS (FR), INRA (FR), BETA (FR))

Wednesday 26th September 2018

REECAP workshop

Plenary session afternoon

(Room GH 01)

- Session chair: **Elisabeth Gsottbauer** (University Innsbruck, AT)
- Keynote 2: **Malika Kacimi** (Fond d'Expérimentation pour la Jeunesse, Institut National de la Jeunesse et de l'Éducation Populaire INJEP, FR)
"TBA"
- Keynote 3: **Axel Sonntag** (Insight Austria and Vienna Center for Experimental Economics, AT)
"TBA"

Session 2: Risk and environmental preferences

Room: GH 01

15 minutes presentation and 5 minutes discussion each, English

Session chair: Riccardo D'Alberio (Alma Mater Studiorum University of Bologna, IT)

- o Cumulative Prospect Theory and Farmer's strategies and performances: evidences from the apple and pear sector in Flanders
I. Bonjean (KU Leuven (BE))
- o Risk taking with left- and right-skewed technologies
D. Bougherara, L. Friesen, C. Nauges (INRA - French National Institute for Agricultural Research (FR), Center for Environmental Economics of Montpellier (FR), University of Queensland (AU), Toulouse School of Economics (FR))
- o Experimental assessment of the determinants of pro-environmental behavior of German farmers
F. Thomas, M. Lefebvre, E. Midler and S. Engel (University of Osnabruck (DE), French Ministry of Agriculture, Policy, Evaluation and Economic Analysis (FR), University of Angers (FR))
- o The potential for efficiency gains offered by endogenous individual-level monitoring in diffuse pollution with group Incentives
B. Balmford, B. Day, G. Smith (University of Exeter Business School (UK))

Group discussion on REECAP – English

Room: GH 01

Session chair: Sophie Thoyer (IRSTEA, FR) and Raphaële Preget (INRA, FR)

Topics: (1) News of the ERAE special issue (2) Development of the REECAP website (3) Discussion on sharing platform for experimental protocols (4) Next workshop/activity? (5) Discussion on the opportunity of a joint article

Wednesday 26th September 2018

Preconference "Evaluation of Gender Equality in Rural Development Programms"

Opening statements

(Room SR 01)

Marianne Penker

University of Natural Resources and Life Sciences, Vienna (to be confirmed)

Michaela Schwaiger

(Head of Department II/1 – Agricultural Policy, Data Management & Further Training – Federal Ministry for Sustainability and Tourism, AT)

Plenary session

(Room SR 01)

Session chair: **Mathilde Schmitt** (agrigenda, AT)

Keynote 4: **Angela Wroblewski** (Institute for Advanced Studies, AT)
"Gleichstellung messbar machen – Zugänge, Anforderungen und Herausforderungen der Evaluation von Gleichstellungsmaßnahmen"

Keynote 5: **Elke-Anette Schmidt** (Landesfrauenrat Mecklenburg-Vorpommern, Rostock, DE)
"Gleichstellung im ELER zwischen Anspruch und Wirklichkeit – ein Praxisbericht aus Mecklenburg-Vorpommern"
